

FUTURE READY LEADERSHIP

**ACCELERATE YOUR DEVELOPMENT,
SUPERCHARGE YOUR RESILIENCE AND
UNLOCK YOUR LEADERSHIP POTENTIAL.**

A four month self-lead digital program limited to an intimate and diverse group of carefully selected members all committed to improving their capacity to lead themselves and others.

What's In Store?

- Understand essential psychology and neuroscience principles in the context of leadership.
- Delve into the subconscious programming that defines you and your leadership style.
- Deploy techniques based on neuroscience and psychology to shift outdated mindsets that prevent you from progressing.
- Intelligently manage your energy to maintain strong physical, mental, emotional and spiritual foundations to flourish.
- Uncover your deeper Yes in order to say No to the things that don't serve you or your mission.
- Build lasting relationships with your cohort as you collect and apply tools and frameworks for leading today and into the future.

ON THE GO

The seven self study modules are delivered as training videos, mp3 recordings and a complimentary study journal. Access the training online from any desktop or mobile device anytime you like.

ONLINE

One hour Bi-Weekly live check-in sessions held via a Zoom virtual classroom allow you to share your insights, wins and challenges. It's also a time to ask questions of your facilitator and the cohort to clarify the principles covered in each module.

Blended Learning

FACE TO FACE

At the mid-way point you and your cohort meet face to face to consolidate and share valuable insights and discuss key learning's. An unmissable opportunity to deepen your understanding and enhance relationships within the cohort and with your self.

COACHING &
MENTORING

Learning is a personal experience and is greatly enhanced with peer coaching and personal 1:1 mentoring sessions with our facilitators. These interventions allow you to explore the principles in a personalised and insightful way.

Apply Today

To lead better you have to rethink how you can continuously improve your own skills and the skills of your workforce. Move beyond conventional thinking and education and prepare yourself to lead in these exciting and opportune times.
